

# R.E.S. Event Announcement

The Regina Engineering Society Invites You To A:

## Luncheon Presentation

---

**Date:** Thursday, April 21, 2011

**Place:** Regina City Hall – Darlene Hincks Meeting Room, Main Floor  
2476 Victoria Avenue, Regina, SK

**Topic:** Distributed, Renewable Power Generation

Lyle Weichel will be speaking about distributed, renewable power generation in Saskatchewan. The discussion will be focused on wind turbine and solar photovoltaic technologies and applications. Lyle will explore the various grid interconnection and power purchase agreement options with SaskPower including: net metering, small producer's policy, and the Green Options Partners Program (GOPP). Lyle will review the capital incentive program that was historically available and a comparison of incentives for these technologies moving forward in Saskatchewan.

**Speaker:** Lyle Weichel

Lyle Weichel is a graduate from the University of Regina and co-founder of WestSource. As CEO, Lyle works to provide green energy solutions to Saskatchewan residents and commercial/agricultural operations. He is also working on launching the development of a utility scale wind farm in Saskatchewan and is currently evaluating potential partnerships.

**Agenda:** 12:00 p.m. to 12:20 p.m. - Lunch  
12:20 p.m. to 12:50 p.m. - Presentation  
12:50 p.m. to 1:00 p.m. – Questions

**Cost:** \$10.00

Please RSVP Dino Philopoulos @ [dphilopoulos@kqsgroup.com](mailto:dphilopoulos@kqsgroup.com)  
Lunch will be provided for confirmed attendees.
